RE: Workers' Compensation Work Site Posters

Dear Customer:

Enclosed please find an updated work site poster for your location. We realize that the providers listed on this work site poster may differ from providers listed on previous posters. This is a result of provider changes in the network. Our goal continues to be to provide a listing of providers who are experienced in treating work related injuries.

As you may know, workers' compensation law in your state provides that an employer may direct an injured worker's initial care; therefore, we strongly encourage you to comply with this requirement and post the work site poster in a prominent location.

If you have questions regarding the medical providers listed on the enclosed work site poster, we ask that you contact your service representative to discuss. If the names of specialists or additional providers are required, please call (800) 944-0443.

Thank you,

Liberty NetWorks [™]
