I have selected the above circled facility to administer medical treatment for my potential worker’s compensation claim.

I have chosen not to seek medical treatment or my workplace injury. I understand that if I feel the need to seek medical treatment for this incident at a later time, I may do so by visiting one of the above approved medical facilities. It is my responsibility to inform MANCON Corporate – Worker’s Comp – at (757) 457-9312 if/when I seek medical treatment.

I do not want to claim an injury at this time.
