RE: Workers' Compensation Work Site Posters

Dear Customer:

Liberty Mutual Insurance is committed to helping injured workers recover and return to work. To assist in that effort, we provide our customers with work site posters that list medical providers who have experience in treating work related injuries and/or are conveniently located near your location.

As you may know, workers' compensation law in your state provides that an employer may direct an injured worker's initial care. Therefore, we strongly encourage you to comply with this requirement and post the work site poster in a prominent location.

If you have questions regarding the medical providers listed on the enclosed work site poster, we ask that you contact your service representative to discuss. If the names of specialists or additional providers are required, please call (800) 944-0443.

Thank you,

Liberty NetWorks™
