KENTUCKY

State rules and regulations and the facts of a claim may impact an insurance company's obligation to pay for medical treatment if an injured worker changes doctors after treatment has begun. Injured workers are advised to check with their claim handler, nurse case manager or legal representative before making an appointment with a new doctor to determine whether changing doctors will affect their claim. This list represents a selection of providers in your area as you requested. This List is not representative of the entire list of providers available in the network. If you would like the entire list of providers in the network, including those outside of the area you requested, please contact the Travelers Managed Care Plan at 1-800-238-6210 or your employer.
